

**AFFIDAVIT
&
RELEASE FORM**

I the undersigned writer do hereby make oath and say that:

- 1 I am the author of the Work (i.e. screenplay/teleplay/ story/manuscript of an unpublished novel) tentatively entitled: _____.
My nom de plume is: _____.
- 2 I am concluding an agreement with IMAGINITES PTY LIMITED ("The Company") in terms of which, inter-alia, I have authorised The Company to act as my agent in respect of the picture and allied rights on all film related formats with regard to the Work(s).
- 3 I have been asked to set out certain matters under oath and accordingly, I confirm the following: The Work is my original work and does not and will not infringe the copyright or any other rights of any third party in respect of the rights granted under the agreement annexed to this affidavit.
- 4 I understand that The Company is engaged in the business of producing and commissioning for production material including synopses, scripts and screenplays from various authors, screenwriters and other individuals in various territories throughout the world. In addition, I understand that The Company is particularly interested and involved in finding and/or commissioning work in all media in all genres, including documentary. Accordingly, I understand that The Company may, at some time in the future, either during the course of my agreement with The Company or after termination of our agreement, produce, cause to be produced or commission the production of a work which may appear similar to my novel by virtue of a similar scene or by virtue of similar subject matter.
- 5 Without derogating from any rights which I may have to prevent the unauthorised blatant infringement of my rights in my novel by The Company or any other third party, I record that I appreciate and understand the business in which The Company is engaged and accordingly the increased likelihood of the Company being involved in the production of work (in whatever media) which may bear some similarity to my work but which will not infringe my rights which I have in the novel.
